MOTION FOR LEAVE TO FILE ADDITIONAL PLEADING

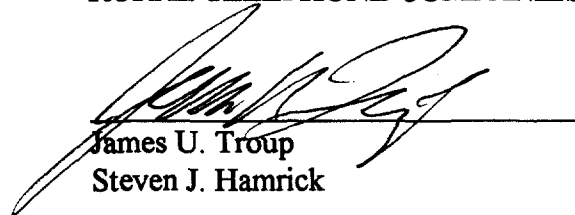

The Rural Telephone Companies, pursuant to Section 1.45(c) of the Commission's Rules, hereby request that the Commission accept their corrected page of Exhibit A of their Petition for Reconsideration (the "Petition"). The Rural Telephone Companies are filing this pleading to correct a clerical error in its original Petition. The Rural Telephone Companies request that the Commission accept their corrected Petition for "completeness of the record." See Columbia Broadcasting System, Inc., 30 RR 2d 133, 138 (1974).

This filing comes only 11 days after the Rural Telephone Companies filed their original Petition. Consequently, the Rural Telephone Companies submit that acceptance of their corrected Petition would not thwart the orderly administration of the Commission's process. Id. (citing Taft Broadcasting Company, 38 FCC 2d 770, 771 (1973)). In addition, the change is clerical in nature

and does not impact on the substance of the original Petition in any way. Thus, Commission acceptance of the Rural Telephone Companies' corrected Exhibit A serves the public interest.

Respectfully submitted,

RURAL TELEPHONE COMPANIES

James U. Troup
Steven J. Hamrick
